

## **Variety to Relocate HQ to 55,000SF Space on Wilshire**

June 17, 2008

Variety will make its own headlines by the end of the year now that the entertainment publication has signed a lease to occupy 55,000 square feet of office space at 5900 Wilshire Boulevard across the street from the Los Angeles County Museum of Art in the Miracle Mile district.

In-depth details of the transaction with property owner the Ratkovich Co. have not been disclosed, however, the move will constitute an expansion for Variety, which currently calls the office building down the street at 5700 Wilshire Boulevard home.

By the time Variety relocates to its new digs in December, the 30-story tower at 5900 Wilshire will have emerged from a makeover at the hands of Ratkovich and partner Prudential Real Estate Investors, which acquired the 37-year-old property three years ago and commenced a \$34 million renovation program soon after the purchase.
